Upon receipt of this request, Tax & License Division will promptly send an initial letter of temporary denial to the applicant detailing the above code violations but will not be responsible for follow-up communication with applicant. If your department initiates a request for delay, it is your responsibility to work with the applicant until resolution. Please return the approved application to Tax & License as soon as the applicant has complied with code requirements.

In the event there is no resolution of code problems within 30 days from this request, license issuance will be reconsidered by Tax & License provided there are no pending life safety issues.

***REQUEST FOR DELAY MUST BE RECEIVED WITHIN FIVE WORKING DAYS FROM APPLICATION DATE.**
